STATE LIBRARY OF MASSACHUSETTS

I.S.S.N. 0465-1898

Publication No. 16133-195-475-12-89-CR
Approved by Ric Murphy, State Purchasing Agent

Please Note

The State Library of Massachusetts is the official depository for Massachusetts state agency publications. This checklist provides a listing of those publications received at the library during the year indicated. Newsletters and serials with a frequency greater than quarterly are not included in this list.

Document Access

The State Library maintains a system of state document depository libraries in order to provide statewide access to state agency publications. The following libraries serve as document depositories: The Boston Public Library, Springfield City Library, Worcester Public Library, and the Library at the University of Massachusetts at Amherst. Documents listed in this checklist may be viewed at these libraries as well as at the State Library. In addition to the state depositories, the documents are also sent to the Library of Congress.

Each document listed herein is microfilmed. The number at the end of each entry is the film access number. The documents which have three asterisks are not filmed in their entirety because portions have been copyrighted. The State Library and each of the depository libraries hold microfilm subscriptions, as do many other libraries. For more information regarding this commercial microfilm subscription service contact Research Publications, Inc., 12 Lunar Drive, Woodbridge, CT 06525. (202) 397-2600.

Interlibrary loan is available for state publications. Contact the State Library at (617) 727-2590 or write us at 341 State House, Boston, MA 02133. You may also contact the nearest depository library for details. Each state publication is fully cataloged and entered into the OCLC database. Publications are listed here under the agency name as it appears in OCLC and in the State Library's card catalog. Some listings include the OCLC number; however, the lack of an OCLC number does not imply that a document has not yet been cataloged by the State Library.

Document Ordering Information

The State Library and the document depositories cannot provide readers with personal copies of state agency publications. Those persons who require personal copies of the documents listed here must contact the agencies directly. The full address of each agency is supplied here for this purpose.

Some publications are available through the State Bookstore. An effort has been made to indicate here those items available only from the Bookstore. Documents marked Public Document are available at the Bookstore for no charge. Regulations, subscriptions to the Massachusetts Register, and recently enacted laws are also available at the Bookstore. Contact them for mailing charges and availability. The State Bookstore, Room 116, The State House, Boston, MA 02133. (617) 727-2834.

Those items marked House or Senate Document for the current year only may be obtained from the Legislative Document Room: Room 428, State House, Boston, MA 02133. (617) 727-2860.

Please Note

The State Library of Massachusetts is the official depository for Massachusetts state agency publications. This checklist provides a listing of those publications received at the library during the 1989 calendar year. Newsletters and serials with a frequency greater than quarterly are not included in this list but are listed separately after the index for informational purposes and are available through interlibrary loan.

Document Access

The State Library maintains a system of state document depository libraries in order to provide statewide access to state agency publications. The following libraries serve as document depositories: The Boston Public Library, Springfield City Library, Worcester Public Library, and the Library at the University of Massachusetts at Amherst. Documents listed in this checklist may be viewed at these libraries as well as at the State Library. In addition to the state depositories, the documents are also sent to the Library of Congress.

Each document listed herein is microfilmed. The number at the end of each entry is the film access number. The State Library and each of the depository libraries hold microfilm subscriptions, as do many other libraries. For more information regarding this commercial microfilm subscription service contact Research Publications, Inc., 12 Lunar Drive, Woodbridge, CT 06525. (202) 397-2600.

There is an index at the end of this checklist for all documents listed herein except for the reports of the Department of the State Auditor. The documents are indexed by keyword and accessed by the film number, the last entry for each citation; e.g. 891/112.

Interlibrary loan is available for state publications. Contact the State Library at (617) 727-2590 or write us at 341 State House, Boston, MA 02133. You may also contact the nearest depository library for details. Each state publication is fully cataloged and entered into the OCLC database. Publications are listed here under the agency name as it appears in OCLC and in the State Library's card catalog.

Document Ordering Information

The State Library and the document depositories cannot provide readers with personal copies of state agency publications. Those persons who require personal copies of the documents listed here must contact the agencies directly. The full address of each agency is supplied here for this purpose.

Some publications are available through the State Bookstore. An effort has been made to indicate here those items available only from the Bookstore. Documents marked Public Document are available at the Bookstore for no charge. Regulations, subscriptions to the Massachusetts Register, and recently enacted laws are also available at the Bookstore. Contact them for mailing charges and availability. The State Bookstore, Room 116, The State House, Boston, MA 02133. (617) 727-2834.

Publications of the State Library

The quarterly CHECKLIST, as of January 1991, and the annual Massachusetts State Publications, as of the 1989 annual, will be printed and distributed through the State Bookstore, Room 116, The State House, Boston, MA 02133. (617) 727-2834.
